# Chairperson's Address

---

We would like welcome & to thank our all sponsors and our supporters for their donations to our biggest fundraising effort in almost 15 years. We want everybody to make new friends and have lots of fun and maybe win a few euro on a race or a raffle.

We launched our 3-5 year strategic plan at a meeting before our AGM early last November and the committees have been working hard to start implementing elements of the plan. Clearly, to implement these improvements in Pairc Na Óg we require funds. The finance committee have reached out to other committees in the club to plan this big event. And in less than 8 weeks they have done trojan work to make tonight a big success – Thanks Tony and all his team.

Thanks to Thurles Greyhound Stadium for allowing us to use their facilities and helping us prepare to have a successful and safe night with lots of fun for all attending. Thanks to everybody that have sponsored races, sponsored shared race, sponsored half page advertisements and full-page advertisements and to all you who have paid your entry fee.

We would also like our main Sponsor Diarmuid Moran for all his sponsorship of jerseys every year and his sponsorship contribution for this fund raising.

# Our Club - Durlas Óg

Durlas Og was founded in 1979 and have been very successful on and off the field over the past 45 years. We are always proud when we look back and see the guys that have been successful in playing for Tipperary.

# *Our Club - Durlas Óg*

This year has been very special as we had 5 boys on the Minor All Ireland team that beat Kilkenny in the final early this summer and to one of our boys for representing the club with Tipperary football minor team.

## *Our Club - Durlas Óg*

---

What we are most proud of is that our club is continuing to grow and for the first time we have over 200 players registered. This is mainly driven by the mentors that kicked off the Little Legends 2 years ago.

It was meant to be a 4 week event at the beginning of every year but they run the sessions each Saturday morning from March to end Oct. and when we have nice weather in the summer we have an additional session on Wednesday evening.

## *Our Club - Durlas Óg*

We have 60 mentors and about 20 other people that help to make Durlas Óg successful and a safe environment for our players to train and play matches.

People are always welcome to come to Pairc Na Óg to see what is happening, help out or have a chat. Hopefully from the funds raised tonight you will see the improvements implemented over the next 12 months
